

Bastiaan van Tilburg

CEO Nutreco

Chair Management Board

Bastiaan has served as CEO of Nutreco since September 2025. He first joined Nutreco in January 2019, taking on a position at the company's livestock feed business line, Trouw Nutrition, as General Manager for the Benelux, Scandinavia and France before becoming Managing Director for Trouw Nutrition Europe & Central Asia in November 2022. He became a member of the Nutreco Management Board in June 2024 when he took over as CEO of Skretting, Nutreco's aquaculture business line.

Before joining Nutreco, Bastiaan worked in various commercial and operational leadership roles at SHV subsidiary, Makro, in Brazil. Prior to Makro, he worked at Royal Dutch Shell for four years.

Bastiaan drives progress by building purpose driven, high performing teams who rally around ambitious common goals. He has a strong focus on customer intimacy and nurturing customer relationships, driving commercial, innovation and sustainability agendas to meet the current and future challenges of our industry. He has established a strong track record of delivering results at both a regional and global level.

Bastiaan studied at the University of Groningen and holds a Bachelor and Master of Arts in International Organisation and International Relations.

"We are a group of talented and purpose-driven people with a passion for our purpose of Feeding the Future. Our company has a very meaningful role to play in the food system, and I know that we still have a lot of untapped potential to unlock together. That is why it excites me to accelerate the execution of our strategy and to keep us focused on delivering the very best of Nutreco to our customers, everywhere, every day."
